

“Asset Match Secondary Trading following PCF Group plc AIM Cancellation”

As previously announced by PCF Group plc, the cancellation of admission of its Ordinary Shares to trading on AIM took effect from 7.00 a.m. on 20 December 2022 (“**Cancellation**”).

Following the Cancellation, the Company has appointed Asset Match (www.assetmatch.com) to facilitate trading in the Ordinary Shares.

Asset Match, a firm authorised and regulated by the Financial Conduct Authority, will operate an electronic off-market dealing facility for the Ordinary Shares. This facility will allow existing holders of Ordinary Shares in the Company (“Shareholders”) and new investors to trade Ordinary Shares by matching buyers and sellers through periodic auctions.

Investors can register their interest for further information on the Asset Match auction process by emailing dealing@assetmatch.com.

The Asset Match trading facility operates under its own code of practice which governs the behaviour of participants and the running of the periodic auctions. Asset Match operates an open auction system where volumes of bids and offers at different prices are displayed on its website together with the closing date of the auction. At the end of each auction period, Asset Match passes this information through a non-discretionary algorithm that determines a “market-derived” share price based on supply and demand and allocates transactions accordingly. Bids and offers may be made and withdrawn at any time before the closing date of each auction.

Shareholders will continue to be able to hold their shares in uncertificated form (i.e. in CREST) and should check with their existing stockbroker whether they are willing or able to trade in unquoted shares. Shareholders wishing to trade shares through Asset Match must do so through a stockbroker. A comprehensive list of stockbrokers who have signed up to access the Asset Match platform is available on request by emailing dealing@assetmatch.com.

Shareholders may contact Asset Match in relation to any queries regarding trading via the secondary market trading facility by emailing dealing@assetmatch.com.
