2019 Achievements

"Sustainable growth delivering increased profitability"

- Grow the core businesses of asset finance and consumer motor finance by increased lending into the prime market
- Diversify the balance sheet with new asset classes; both through acquisition and organically
- Develop a much-improved proposition to the broker-introduced consumer motor finance market by automating credit decision making and proposal acceptance
- Capital planning to prepare for the next stage of growth, while continuing to deliver improving Return on Equity.
- Continue to invest in people, systems and infrastructure to build a bank that can support a £1bn portfolio

Future Operating Model

"Putting the building blocks in place for greater digitalisation"

- Launch our new streamlined system for consumer motor finance
- Trial direct to consumer products on our new platform
- Develop a market leading portal for SME lending
- Build out our Property Finance division beyond the pilot initiative
- Evaluate how Azule's European capabilities can enhance our revenues
- Complete the Azule integration and monetise synergies
- Improve our customer journey for savers and borrowers with additional online functionality
- Optimise technology across the organisation to support scale and deliver efficiencies

Investment Case

"A resilient operating model provides confidence for now and the future"

- £63m of future operating income, already to hand on the balance sheet provides almost 65% of next years operating income expectation
- A management team with over 25 years experience, over several credit cycles understand the need for prudent underwriting, sensible terms and correctly pricing for risk
- A banking licence provides a competitive advantage compared to debt financed competitors
- Investment in systems is delivering class leading service levels
- A robust business model and sustainable growth due to:
 - our relatively small market share
 - our diversified income streams
 - adequate capital headroom
 - > access to the retail deposit market; and
 - the existing infrastructure is delivering operational gearing

Outlook

"PCF Bank has a substantial opportunity to grow its business and shareholder value in the coming years"

1

Record originations of £27m in September demonstrates continued momentum

Strong e.p.s growth through low impairment and by targeting superior NIM and RoE

4

Continued investment in new business lines, talent, our operating platform and the governance structure
