Account Name

5 YEAR FIXED TERM DEPOSIT

What is the interest rate?

Annual Interest (fixed)	
2.75%	GROSS/AER

The interest rate is fixed. Interest is calculated daily and is paid annually.

Can PCF Bank change the interest rate?

Rates are fixed until the maturity date. This means we cannot change the rate until after the fixed rate period.

What would the estimated balance be after 60 months based on a £1,000 deposit?

A deposit of £1,000.00 at an annual Gross rate of 2.75% (fixed) would generate an estimated balance of £1,137.50 in 5 years

The above example is for illustrative purposes only and assumes no withdrawals, no changes to the fixed interest rate over the period and interest is paid annually on a cleared deposit. The illustrative example does not take into account the individual circumstances of a customer.

### Points to note

- **AER** stands for Annual Equivalent Rate. If you left a sum of money in your account all year, the AER would be the interest rate you'd get if we paid you interest during the course of the year and your subsequently higher balance then earned more interest (this is known as Compound Interest). The AER will only be higher than the gross interest rate where we pay you interest more than once a year. We quote the AER on all our accounts so that you can compare our products with those of other banks.
- **GROSS** means the interest rate before any deduction of income tax. Please note as of 6th April 2016, income tax will no longer be deducted by PCF Bank from interest earned on your account.
- **Financial Services Compensation Scheme (FSCS)**. This product is covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a bank is unable to meet its financial obligations. For further information about the compensation provided by the FSCS (including amounts covered and eligibility to claim), refer to the FSCS website [www.FSCS.org.uk](http://www.FSCS.org.uk) or call the FSCS on 0800 678 1100.
- **PCF Bank Limited** is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority, FRN number 747017.
